

TREE DEDICATION IN SOUTH PASADENA

(Photo: Karla Butler {L} and Mary Kyropoulos {R})

In honor of Karla Butler's 80th birthday, a native Coast Live Oak tree was planted in Garfield Park on Stratford Avenue. The tree was dedicated by Butler's good friend Mary Kyropoulos. Kyropoulos' generous donation beautifies and benefits the environment by enhancing the City's Urban Forest. Trees are important to our city because they clean the air, provide oxygen, cool the streets, provide shade thereby conserving energy, and provide homes for wildlife like birds. If you would like additional information about the City's Tree Dedication Policy or would like an application, please call Public Works Department at (626) 403-7240 or visit at www.southpasadenaca.gov.
