

Tree Dedication at TLC Pet Medical Center

TLC Pet Medical Center Staff, South Pasadena

The City of South Pasadena would like to acknowledge Mr. Matthew Krieger of TLC Pet Medical Center for his generous donation of a Dedication Tree. A coast live oak was planted at 1412 Huntington Drive in front of his veterinarian clinic. Trees are important to our city because they clean the air, provide oxygen, cool the streets, provide shade, and in this case provide a good spot for TLC's four-legged clients to visit. If you would like additional information about the City's Tree Dedication Policy or would like an application, please call Public Works Department at (626) 403-7240 or visit at www.southpasadenaca.gov.
